Dedication

Susan Robertson

Mrs. Susan Robertson began her journey in education 20 years ago but if you ask her she says that she has spent her whole life educating. After getting married and having children she was home, bored, and decided to take the teaching exam. She passed, and her journey and impact began. She focuses her attention on the success of students and in her own words “at the end of the day I ask myself 3 questions, Who did I miss?, Why did I miss them? And how will I reach them tomorrow?” This care and passion she has for her student is the driving force in her education success. Some of her favorite memories that she can recall are when her former students return and thank her for preparing them for college and life with the skills she taught them in class. The success of students throughout life is what she considers to be her greatest accomplishment and the difference that she makes in a students path is her greatest pride. The writing and life skills that student take from her class are lasting impressions that they carry with them forever. The advice that she would like to leave all her students with is that you must “participate in your education” to succeed. Good luck Mrs. Robertson. Enjoy your time to relax after your impactful and successful career.

Susan Miller

Dr. Susan Miller began her career in education at Middleborough High School 25 years ago with dear friend Charlene Bizinkauskas. She always had a dream of becoming a teacher since she was in elementary school. She loved the idea of “making a difference” and felt like it was her calling. As a teenager she volunteered at John Jay Homestead because she loved the idea of bringing history to peoples lives who may not otherwise like the subject. One of her favorite teaching moments is when the ninth graders had the opportunity to sail on a historic schooner. They were able to fully grasp the immigrant experience as they sailed around the Elizabeth Islands. The advice that she wants to leave with her students is “you need to have the mind-set that you will never give up and never give in.” Preparing students to make the next move and feel like they are ready for college is what she considers one of her greatest accomplishments. Some of her other amazing accomplishments were being nominated and awarded 2016 Massachusetts History Teacher of the Year and receiving the Gilder Lehrman National History Teacher of the Year award.

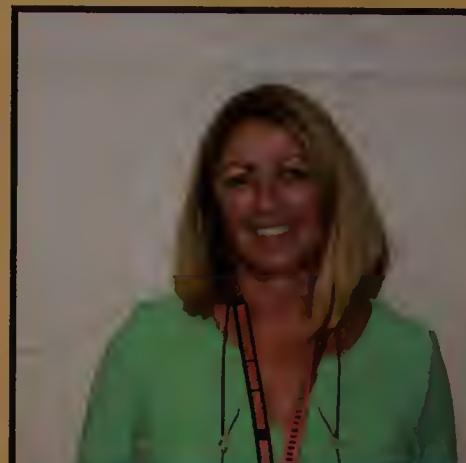

Charlene Bizinkauskas

Ms. Charlene Bizinkauskas has been teaching for more than 31 years, and 25 of those years have been spent at Middleboro High School. She realized she wanted to become a teacher as early as elementary school, after watching her 3rd grade teacher and thinking to herself that this is what she wanted to do. She ended up at MHS after the then superintendent of Middleboro Public Schools overheard her conversation with the building department, and told her about a vacancy at the middle school with the 8th grade. Mrs. Biz, as everyone calls her, has worked as a special education teacher, primarily co-teaching in the English department. Her dedication to all of the students is unwavering, and she can be found after school working with kids almost every day. She believes that the best part of her job and what she enjoys the most, is, “being a witness to students who improve and grow and mature and finally figure out what they’re going to do for the rest of their lives.”

Joan McKenna

Joan McKenna started her career at Middleboro High School as an English Teacher. She has now been an English teacher for 17 years. After getting a degree in writing concentration from UMass Dartmouth college she decided to go into the English teaching field and work at MHS. Her favorite part of teaching is “by far getting to know her students.” Joan is known for creating thoughtful journal prompts for her students to get activated before class. For example, “Write about sometime that you thought you were unfairly accused of something.” She also likes to do activities such as a treasure hunts. This is when the students move around in the classroom and ask each other pre-reading questions for a piece of literature. These are just two activities of McKenna’s classes that make them enjoyable. Other courses that she teach include both English 3 CP and Honors, MCAS Preparation for Sophomores and English 2 CP. She says that she enjoyed her time here at Middleborough High School and hopes the best for everyone.

In Memory of Scott "Nelly" Nelson

The 2017 yearbook was dedicated to Scott Nelson, one of the three people who retired at the end of last year. It is with great sadness that this year, the class of 2018 and the entire MHS community remember Scott Nelson as his life was cut short less than one month after his retirement. Nelly's dedication to the school, the students, the town, and his colleagues will always be remembered.

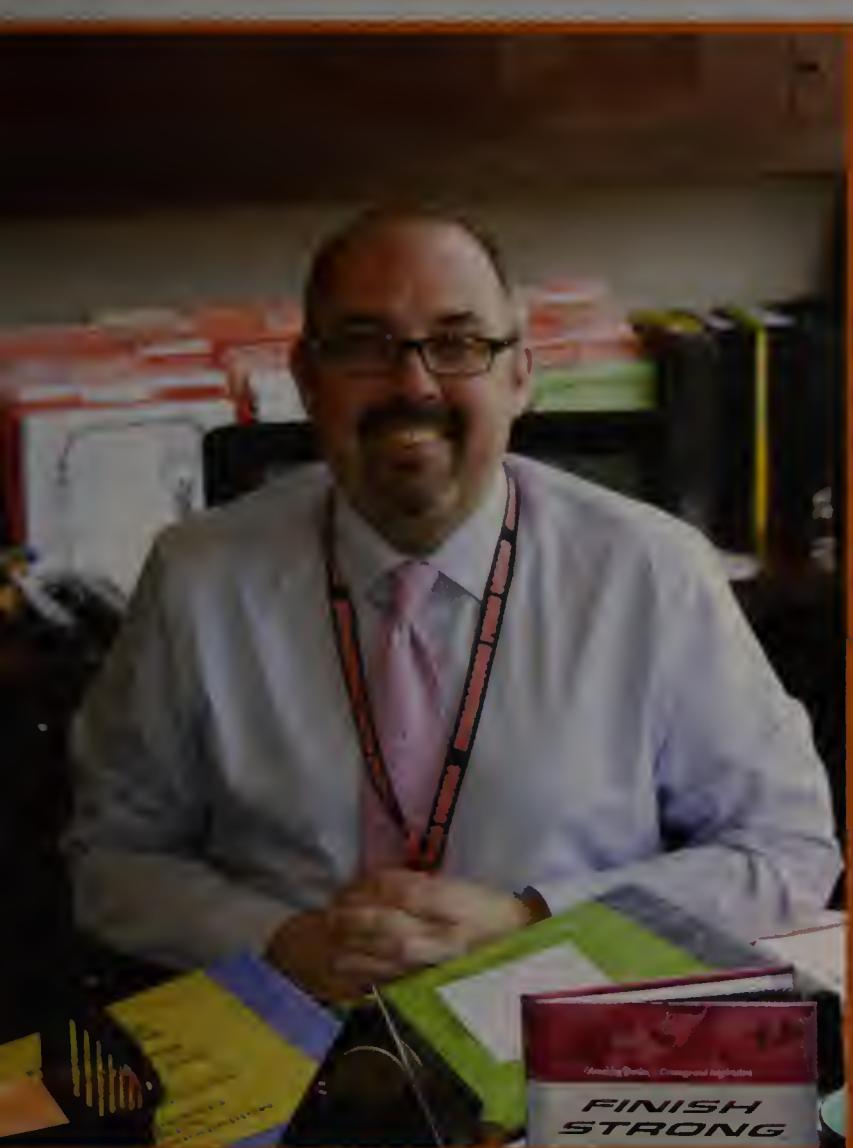

FACULTY & STAFF

A Note From...

Principal Paul Branagan

Congratulations to the Class of 2018! I hope you know how much this class means to me. You have contributed so much to the culture and climate of our school during your journey at Middleborough High School. This class has defined what it means to be SachemSTRONG! Your commitment to excellence was evident from the moment that you entered the high school as freshmen. You did not settle for anything less than the best! From your work in the classroom, to the athletic fields, to the stage and through every activity within our school community, this class has led with conviction, determination and Sachem Pride. Throughout every memory that has been created, one thing is consistent: your love for the Orange and Black. You have embraced and fostered the meaning of being a Sachem and I could not be more honored and thankful to be your Principal. You have been instrumental in the growth of our high school, and I could not be more grateful for all you have given to MHS. As you know, our focus this year has been about the word "gratitude." Please know, each and every day of your senior year, I have been grateful for the memories that you will leave behind within the history of our school. You are truly trailblazers and words cannot express my thanks for all you have given to the Orange and Black.

As you leave Middleborough High School, please know the awesome responsibility you have to the world around us. Your leadership is needed now more than ever. Regardless of the pathway that your life takes you...always remember the difference you can make in the lives of those around you. Carry the legacy that you have created at MHS to help shape the world to be better. This class has the drive, determination, and leadership to make the world better than how you found it. Your school is so proud of all that you have accomplished during your time here. Now is the time to take the step into the world and never stop leading. Please know, your high school will be watching you take on the world with pride. Thank you for coming to Middleborough High School and leaving it a better place than you found it. This class has truly defined what it means to be SachemSTRONG! Always remember, you have a home in Middleborough and I will always be there for you holding the door open. Best wishes for an incredible future. You have touched my heart, Class of 2018! I will miss you, your spirit, your energy, your excellence and most importantly ... your commitment to our school.

Paul Branagan
Principal

Superintendent Brian Lynch

Dear M.H.S. Class of 2018,

Congratulations! I would like you to know that it has been an incredible personal and professional privilege to serve as your Superintendent of Schools during your high school years as Middleborough Public School students!

You have "made your mark at M.H.S." and have now become positive role models for countless current and future Middleborough High School students! You have truly shown us all what being a "Sachem" is all about. Throughout your years in the Middleborough Public Schools, you have continually shown us that you are champions! Whether you were in your M.H.S. classrooms, on stage, involved in student government organizations, on the playing fields (including Gillette Stadium!) or volunteering within your local and regional communities, you have established an impressive record of accolades and accomplishments.

As you move on now from our Middleborough schools, I am confident that you have been well prepared with the knowledge, skills, attitudes and beliefs necessary to face the challenges that lay ahead for you. Please know that you will always have the support of your family, friends, school system and the entire Middleborough community. In closing, and on behalf of the entire Middleborough Public School system, please accept my heartfelt best wishes to each and every one of you for a healthy, happy and successful future.

Once a Sachem, always a Sachem.

Sincerely,

Brian E. Lynch

STUDENT INVOLVEMENT

"We Were Here"

MHS Student Council

Middleboro High School Student Council allows every student to be involved. As one of the largest and most dedicated councils, they have received state, regional, and national awards for excellence. Student council members work tirelessly to provide students with engaging and exciting events throughout the year.

Executive Board

School Committee Representative

The Middleborough School Committee selects a student representative from the high school each year. This position updates the school committee on upcoming high school events, and also allows students to have a voice during meetings throughout the school year. This year's representative is Owen McCarthy.

Yess Club

The Youth Environmental Service Society (Yess) is a group of students dedicated to helping nature. Students help recycle all the paper and bottles in the building. The group also participates in an annual Trash Fashion Show, where they create fashionable clothing out of recycled products. Thank you all for the work you do to help keep our school and our world clean.

Key Club

Key Club is an organization that devotes time to give back to the school, community, and the world. Sponsored by the Kiwanis International Organization, the students host annual events such as, Eat to Heat and Ice Cream Socials. Thank you for all the hard work you put into making our community great.

Boys State and Girls State

An American Legion Leadership Action program known as Boys and Girls State was designed to teach qualified high school students about the structure and function of the government. This program, held at Stonehill College, helps students explore democracy to become educated participants in our nation's government. This year's representatives were Jack Andrade (missing from picture), Ian Gilson, Eric Jacobson, Courtney Chane, and Meaghan Hurley.

Student Trooper

Every year, Middleborough High school sends students who are interested in becoming police officers or pursuing a career in law, to the Massachusetts State Police Academy. These students learn about safeguarding American freedom and rights. The Students who attended this past summer were Mackenzie Jones, Brianna Alden, Olivia Benson, and Cody Soderlund.

HOBY

Every year a student is selected as the representative for the Hugh O'Brien Youth Leadership program. The program began in 1958 and continues to develop each year. HOBY reaches out to every public and private high school to allow students to develop their leadership skills. This year Chris Cogan was chosen to represent MHS at HOBY.

Sachem Supporters

Sachem supporters is a group of students at MHS that educates parents on drugs and alcohol use within teenagers. The students do different projects to make people aware of teen substance abuse. They then put their projects out within the Middleboro community to show people what is going on within their own community and society.

MassStar

Each year, a sophomore student is selected to attend the MassSTAR Citizenship Conference, which is three days of intensive programming to challenge the student delegates, broaden their perspectives, and bring out their inner leaders. This year's MassStar is Dylan Tobiaz.

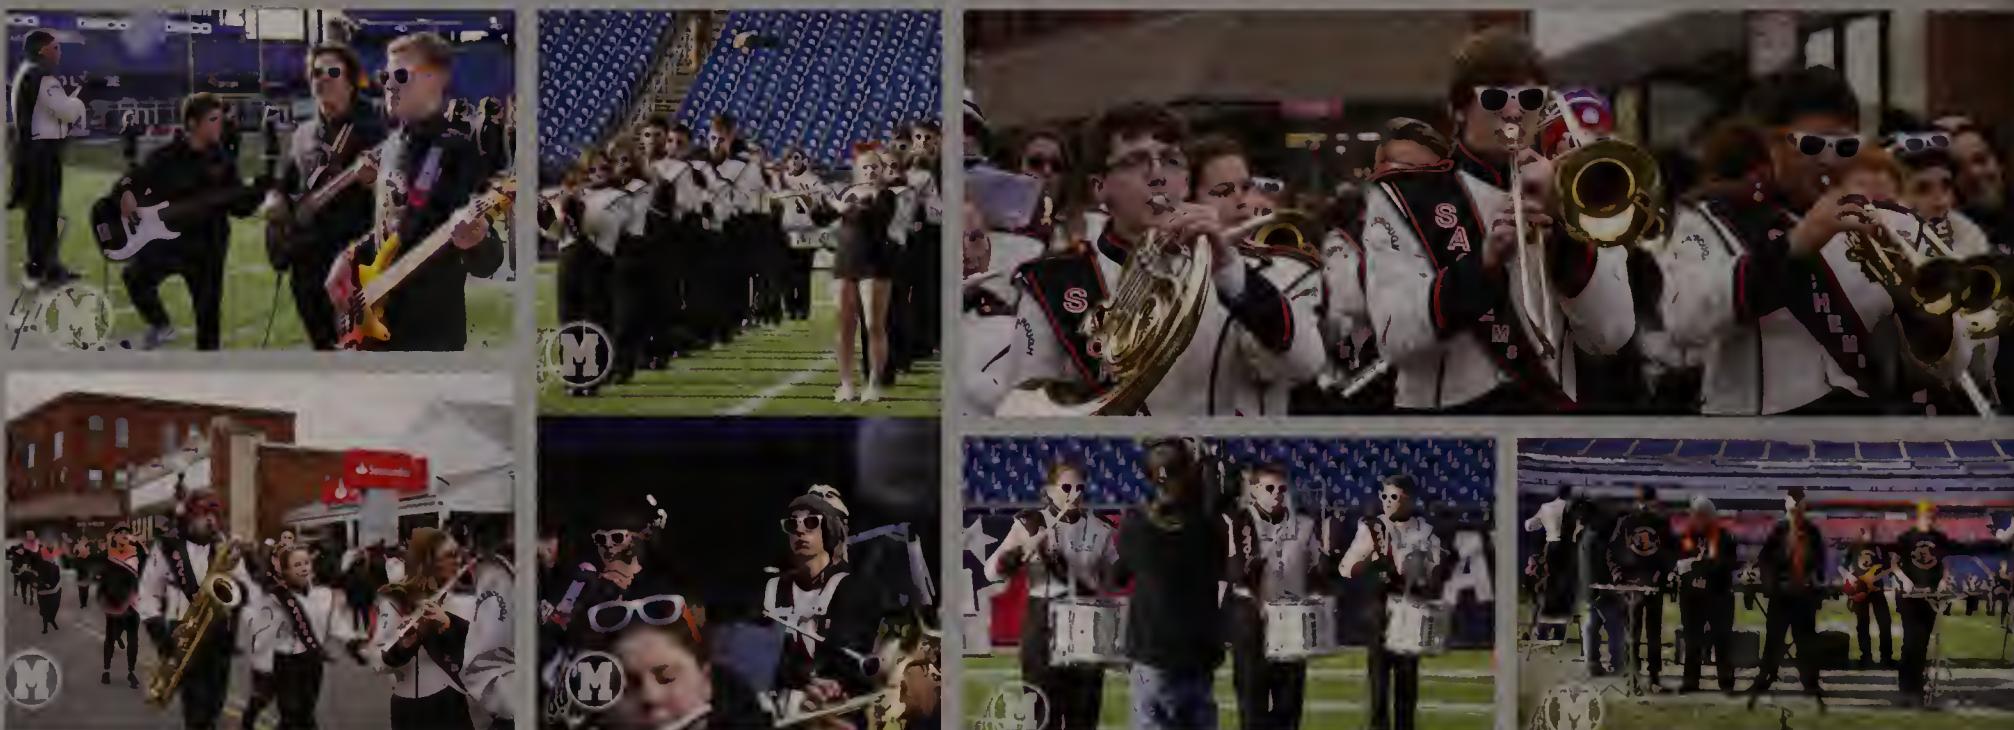

Concert Choir & Sachem Singers

Under the direction of Mr. Lobenstein, both Concert Choir and Sachem Singers work hard to perfect their musical performances. Both groups sing at events such as pep rallies, seasonal caroling, and competitions. Concert Choir is about perfecting singing skills, while Sachem Singer focuses more on improving skills. There is no doubt that the Concert Choir and Sachem Singers spread Sachem cheer wherever they perform.

Band

The MHS Band is conducted by Mr. Pittsley, who loves to celebrate the talent of his students. The band knows how to bring excitement whether they are playing at pep rallies, parades, or football games. The MHS drum line is exceptionally great and a favorite among the student body.

Orchestra

The MHS Orchestra is conducted by Mr. Pittsley, who loves to challenge his musicians with difficult pieces. Members of the orchestra show off their hard work and talent at concerts throughout the year, and at state and regional competitions.

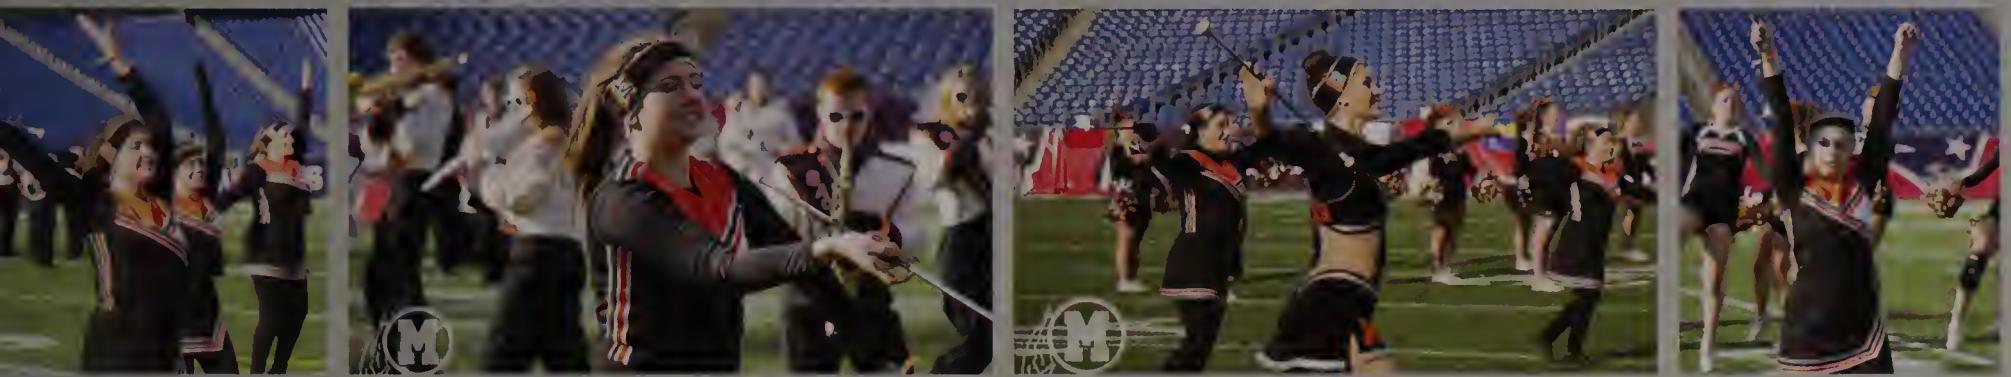

Math Team

The Math team was created for students who show proficiency in math and enjoy math outside of the classroom. During meets students collaborate with their team members to explore new topics and solve problems. The math team also travels to other schools and competes in matches across the state. Members on the team compete for the prestigious Thompson medal, which is awarded to the highest scorer at the end of the season.

Majorette Team

The Middleborough Majorettes dedicate their hard work and time to practice difficult routines with killer moves. The majorettes twirl at pep rallies, football games, and parades. They also practice routines that they bring to competitions where they compete against other towns.

Fire Science

The fire science program is an internship opportunity for students to work alongside firefighters at the fire station. Interns are given hands-on activities such as search and rescues, simulated fires, and diving rescues.

TV Production

Television production students have the opportunity to produce, direct, film, and edit their own videos with state-of-the-art equipment. Television production students are constantly creating content so the community members throughout the district are up to date with Middleborough news.

Speech and Theatre Workshop

Speech and Theatre Workshop (STW) provides students with the opportunity to learn about and apply real life acting techniques. The members take what they learn in the classroom and apply it on stage. STW performs three shows throughout the year: the Fall Show, Festival, and That's Entertainment!

Anime Club

Anime Club was created as a place for students to discuss their shared interest of Anime. Every week the members meet to draw, watch movies, or talk about Anime cartoons. Anime club is a great way for students to demonstrate their creativity in a style outside of the academic classroom.

Gender Sexuality Alliance

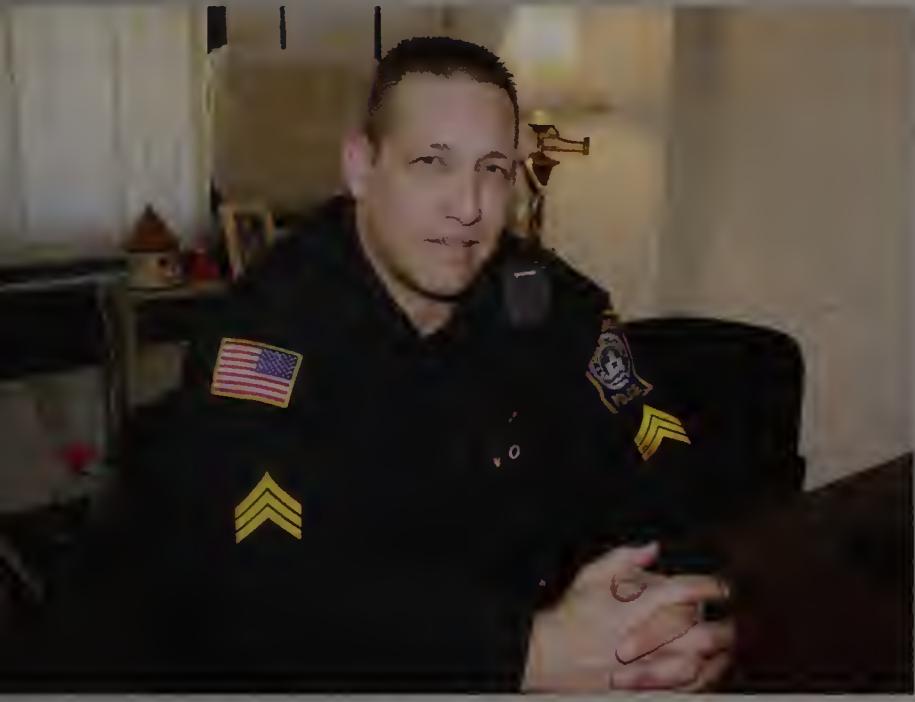

The Gender Sexuality Alliance (GSA) is a student-run club that focuses on equality. GSA promotes kindness and acceptance regardless of one's sexual orientation. Every year GSA hosts a day of silence to spread awareness of unjust treatment based on gender and sexual orientation.

Police Interns

Each year, a small group of students are selected to intern for the Middleborough Police Station. By shadowing an officer, students learn how to take calls, send out emergency personnel, and even get the opportunity to sit in on a court case. The best part, however, is being able to go out on patrol with the officers. This year, the Police Interns were Lianna Bernier, Adam Hanna, and Cody Soderlund.

School Resource Officer

Sergeant Gregory Trask is the Middleborough High School Resource Officer. He does an amazing job at keeping our school community safe.

Timaron

Each year, selected students take on the challenge of creating the Timaron yearbook, which stands for "Time Marches On". These students are involved in every step of creating the yearbook and utilize advanced editing software to accomplish the task. Advisor Mrs. MacLeod assisted this year's editors Ilana Thomas and Brianna Alden.

London Trip

A group of 20 MHS students traveled to London, Stratford-Upon-Avon, Stonehenge, and Bath from June 29th - July 7th, 2017. While there students were able to participate in a theatre workshop as well as an interactive tour of The Globe Theatre.

SACHEM SPORTS

"WE GAVE OUR
ALL, WE DID OUR
BEST."

August 18, 2017, the Middleborough High School football team began their journey; a journey that was filled with blood, sweat and tears; a journey that will be looked on like no other. With their eyes focused on the prize lay one, the team with a family mentality played for moment as if it was the last for each other, but also for community. The team excelled through their season intensity, resilience, pride, determination, grit, unity, and fast feet, landing themselves a spot in the on 6 MIAA playoffs. Led by senior captains Evan Alz, Colin O'Brien, Jeremy Soule Jr and Shawn Murphy the Sachems left Dover- Sherborn and concentrated on their next task: Norwell, who beat the Sachems 2 weeks prior. The Sachems were then victorious over Old Rochester to clinch the South Sectional championship. Next was Stoneham where their dreams were finally becoming a reality, but still were not complete. On December 2nd the Sachems geared up to head to Gillette Stadium for the biggest football game in Middleborough in almost 34 years. Playing with their school, fans, and entire community behind them, the Sachems put everything they had into this last game. Before they knew it, they were raising up long-time former coach Scott Nelson's jersey, whom they dedicated their season to, along with the Super 1 Trophy. This was a season like no other that the community will remember forever.

FOOTBALL

CHEERLEADING

The MHS cheerleaders made this season one for the record books. Not only did they earn the highest scores in the history of the program but they brought home their first ever D3 South Regional Championship. Not only did they win the regional title but they also were the top D3 team in the South Shore League and came in 2nd at the Braintree Invitational. Their hard work and dedication to the team helped them thrive on the mat and in the end it truly paid off. The girls finished with a strong performance at the State Competition at Worcester State University with a 6th place finish in D3! Congratulations on a great season ladies!

BOYS SOCCER

The 2018 Middleboro boys' soccer season saw great progress this season, which ultimately ended in a competitive playoff appearance. Under the leadership of Trevor Spillane and Ryan Baker, the team made great progress to make MHS boys soccer a constantly winning program. Performances from Juniors Nick Ramos and Cam Labree highlighted the season, with both athletes ending the year at the top of the league in scoring. Coach Rodrigues would like to thank all the seniors for their hard work over the course of the past for years

GIRLS SOCCER

The girls' soccer team ended the season with an overall record of 4-14. Although the season was not their best, the team continued their season with gratification and superintendency for the younger players who would soon fill their spots this upcoming year.

The seniors of the team were Courtney Chane, Haley Wood, Makenzie Warren, Sarah Stearns, Olivia Benson, and Allison Nickerson. All of these players set a standard for the younger girls to give it their all even through a tough season.

FIELD HOCKEY

The 2018 field hockey team ended their season with a record of 3-7. Although this season wasn't their best, the team worked hard and faced many challenges that will surely make them stronger as a team in the future. The team was led by coaches, Lisa Perry and Karen Enos, and two senior captains, Melissa Foley, and Bethany Sifert.

CROSS COUNTRY

The Cross Country team had a fun and exciting 2017 season. Senior and Captain Michael O'Shaugnessy led the boy's team to a 4-3 record and earned himself a position as a South Shore League All-Star after a solid performance at the league meet to cap his final season with the Sachems. The girl's team, led by Junior and Captain Abbie Wager, fought hard against tough South Shore league competition. Abbie and freshmen Shaelyn Gallagher also raced their way to South Shore League All-Stars at the league meet, placing 5th and 6th overall, respectively. This year's XC Team had a burst of energy from all our new underclassmen who were guided by our veteran runners to make this season one to remember! We Are Sachems!

VOLLEYBALL

The Lady Sachems worked well as a team with strong serves, many kills, and even more digs.

Varsity didn't have the best season this year, ending it with a 30% winning average.

The seniors on the team were Lianna Bernier, Taylor Warner, and Hannah Eugenio. The Head Coach of Volleyball was Dennis Green.

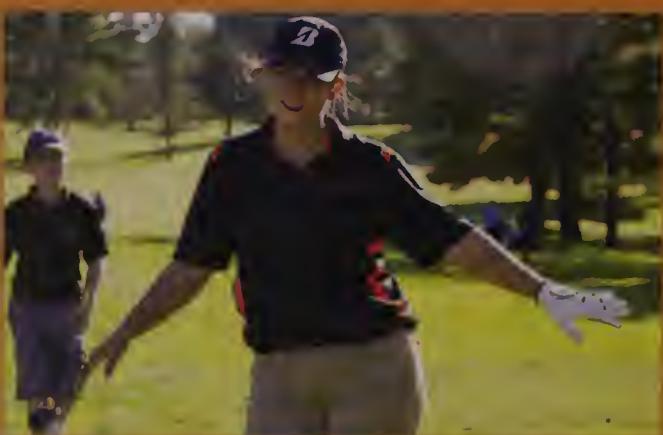

The 2017 golf team had a better record this season than last season, and they will only continue to improve.

They ended the season with a 4-7 record in their league and a 4-6 record at Lakeville Country Club, their home course. They look to the future with the many freshmen and sophomores on the team, and look to improve on their record next fall.

They were led by captain Dan Bukunt and coach Larry Oliver. The team may be bringing back five seniors for next season, for one last playoff push.

GOLF

SWIMMING & DIVING

HS swimming and diving had a successful season this year. The boy's team, led by seniors John Boersdamm and Rory Brennan, had a record of 3-5. The team had many new, young swimmers who made incredible gains throughout the season. Because of these improvements, boys were able to return to sectionals and states this year for the 200 Medley Relay. The relay team consisted of Rory Brennan, Brian Pham, John Boersdamm, Michael Abban, and alternate Dylan Letendre. Declan Hastings also qualified for sectionals and states for one meter diving and placed 14th in the Massachusetts State Div. 1 meet.

The girl's team, led by Erika Short, Olivia Shaw and Emily Geddes, had a record of 4-3-1. The girls also added many young, inexperienced swimmers who worked hard and shattered their best times throughout the season. Nicole Hart qualified for sectionals and states for one meter diving and placed 16th overall in the Massachusetts State Div. 1 meet. She also set a new school record for 11 dives with a score of 336.45.

The future looks bright for the MHS swim team with all the youth and depth we gained this year. We wish our seniors well in the future.

ICE HOCKEY

The Middleborough/Hull High School Hockey made it to the first round of the playoffs against Silver Lake. They had a heartbreaking tournament loss 3-1.

Overall they had a very good season tallying 59 goals in total this year and a record of nine wins, seven losses and four ties.

Another great individual accomplishment was for Defenseman Joshua Diamond. Joshua received the Boston Bruins/MIAA Sportsmanship Award for the South Shore League. He was also named to the South Shore League All Star team.

Overall for the Sachems, they had a good season with a playoff berth. Their young guys had a lot of improvement over the last year and are ready for next year.

GIRLS BASKETBALL

BOYS BASKETBALL

The 2017-2018 Lady Sachem basketball season was one for the books. Lead by senior captains Lianna Bernier, Hannah Demolles, and Kate McManus, the team was off to a great start with outstanding leaders and role models to push the team forward.

This season the Lady Sachems fought hard with an 8-11 season record, and they missed the tournament games by only one loss. The dedication from all the girls proved to be the driving force for this team that bonded into a family this season.

"Together on 3, 1..2..3... TOGETHER"

The 2017-18 Sachems Boys Basketball Team ran out to a 4-1 start paced by the efforts of Seniors: Captain Dave Bisnaw, Dan Bukunt, Captain Matt Crowley, and Tyler Gotham. The next portion of the season featured the Sachems struggling a bit while taking on the best teams the SSL had to offer, and doing so without injured Senior starters Captain Cody Soderlund and Jack Andrade. The team rebounded for the final half of the season, with the return of Cody Soderlund and the all-in efforts of every player in the entire program. The Sachems showed great grit and determination and achieved a quality of competitive play against all levels of competition they faced. The program took another big step forward in "the Process" this season.

The wrestling team this year grew immensely from previous years, including students from Apponequet High and the Nichols Middle School. The year saw 3 students: Jacob Studley, Joseph Escolas, and Linden Estrada (an Apponequet student) move onto the states tournament, where Linden Estrada would take first place in his weight class. James Swarce, 8th grader, is the first NMS student in town history to earn a varsity letter for wrestling. As the team had a lot of new wrestlers, they are planning on having a very successful year next year. The team as a whole became close throughout the season, and are looking forward to seeing each other again for next season.

WRESTLING

WINTER TRACK

The boys and girls indoor track and field teams both had an outstanding season. The boys team finished the season with a record of 4 and 1 and a 2nd place finish in the league. The team was led by captains Evan Gwozdz, Ben Gibson, and Michael O'Shaughnessy. Evan Gwozdz was the team's leading point scorer and represented the school in the division tournament in the long jump. Athletes Ben Gibson, Ian Gilson, and Evan Gwozdz were named league all stars and Ben Gibson was the league champion in the high hurdles. The boys team was also named the south shore league sportsmanship winners!

The lady sachems recorded their first ever perfect season and league title finishing 5 and 0 in the south shore league. The team was thrilled to earn a banner in the gym and were also honored to be named the south shore league sportsmanship award recipients as well. The team was led by captains Laura Hatch, Abbie Wager, Emily Wise, and Olivia Benson. Emily Wise was awarded the south shore league MIAA recognition breakfast award as well as earning the SSL shot put champion title. Emily was joined by teammates Abbie Wager, Tristen Gomes, Caitlin Swanson, and Brianna Lee Bowens as SSL league all-stars!
